

Packing Tips

Camp facilities are not made to accommodate large amounts of clothing. We are providing you with a clothing list. For the comfort and safety of all campers, we insist that you stick to this list, and where possible make do with less. Please send as many of the items as possible in a soft duffel bag.

Your child should be discouraged from packing expensive or valuable items since they can get lost or damaged. We do not assume responsibility for damaged, lost or stolen items.

Clearly identify all clothing with your child’s first and last name. Only items marked with your child's name will be returned. We suggest iron on labels that can be purchased through www.irononmdlables.com.
